- Players call all lines on their side of the court. Refer to Code of Ethics for Line Calling [6.D]

Non-Officiated Play

- Player may call NVZ and Service Foot Faults on opponents. If there is a disagreement, a replay shall occur [13.D.1.c]
- Players are expected to call fault on themselves, as soon as the fault is committed, e.g NVZ fault, 2nd bounce rule.

Out Calls

- Players are bound by Rule 6.D.7 to only call a ball “out” if they can clearly see a **space** between the line and the ball when it hits the playing surface.

[This Rule attempts to standardize player line calls, reduce ambiguity with benefit of doubt given to opponents].

Rule Reminders and Best Practices

Officiated Play with Line Judges

- Players only call center service line on their side of the court.
- Otherwise, player's line calls are not valid, except to overrule a call to their own disadvantage. [13.D.3.b]
- If Line Judges and Referee cannot make a line call, the rally shall be replayed.
- To raise any appeals or disagreement to any Official opinions to the Referee, it shall be prompt and player shall stop play to indicate clearly. A referee's decision will result in a point awarded, a service loss, or a replay.

Rule Reminders and Best Practices

Hinder

- Expect high occurrence of rollaway balls
- Definition [3.A.15] - Any transient element or occurrence not caused by a player that adversely impacts play, not including permanent objects.
- E.g. - balls, foreign material, players encroaching from another court, etc.
- Players shall make prompt hinder calls, a player is deemed to have given up his ability to call hinder if he chose to hit the ball [Pg 1].
- In officiated match, the referee will determine if the hinder called by the player was valid. Valid will be replay, invalid will be fault.
- Players shall refrain from exploiting hinders to their own advantage.

Rule Reminders and Best Practices

Hinder

- Safety shall be the primary basis of hinder calls
- **Players are reminded NOT to encroach into other players' courts to retrieve rollaway balls. Wait at the side for the ball to be returned.**
- Any player shall call hinder immediately for safety reasons, e.g. if stray ball can cause tripping hazard to the opponent, rolling near the feet from blind side.
- Allow the opponent whose side has the hinder to call the hinder, unless it is at his blindspot and poses an immediate safety concern. Therefore players should focus on the rally first.
- If ball is far and does not affect the opponent's play, player should focus on rally instead. If opponent then backs towards the stray ball or the ball rolls closer, call hinder then.
